

KS4 Enrichment activities – History

- Use of www.johndclare.net – a really excellent modern world history web site. It covers most aspects of our syllabus (exceptions are Vietnam and Liberal Reforms). There is a great deal to read and many tasks to complete. There are also numerous podcasts and many links to videos
- Use of www.bbc.co.uk/school/gcsebitesize/history - this has information on Vietnam and the Liberal reforms and many other aspects of Modern World History. Lots of activities and some excellent audio clips.
- The History Department has a huge number of past exam papers, teachers will always be willing to mark exam questions completed at home.
- The creation of a key words booklet or poster will be very useful to help increase the complexity of your answers in history, key words like Vietnamisation, Rugged Individualism, Reparations, Isolationist, and Conscientious Objectors etc.....
